

MD. LIMON MIAH

MERCHANDISER | GLOBAL SOURCING | PERFORMANCE & LIFESTYLE APPAREL

Dhaka, Bangladesh | limonmiah.tex@gmail.com | +880 1872 940 871 | www.linkedin.com/in/limonmiah

EXECUTIVE PROFILE

Global sourcing merchandiser with liaison office exposure specializing in sportswear, performance & lifestyle apparel programs. Proven in managing multi-buyer accounts, executing end-to-end merchandising operations, and ensuring on-time delivery across USA and EU markets. Strong in costing support, critical path control, factory coordination and professional buyer communication.

Recognized for execution excellence, critical path control and buyer satisfaction in high-volume sportswear programs.

CAREER HIGHLIGHTS

- Managed **120+ global customer accounts** across USA & EU markets.
 - Maintained **98% on-time shipment performance** by controlling critical path activities & factory follow-up.
 - **Reduced sample approval lead time by 20%**, accelerating bulk booking and shipment readiness.
 - Executed **multi-program order handling** across sportswear, knit, woven and outerwear categories under high-pressure timelines.
 - Strengthened **global buyer satisfaction** through structured follow-up, clear documentation and professional email communication.
-

PROFESSIONAL EXPERIENCE

Assistant Merchandiser – Capelli Sport (Bangladesh Liaison Office)

(Jan 2023 – Present)

Multisport & Professional Soccer Division

Executive Scope & Accountability:

- **Global buyer coordination:** Maintain daily correspondence with buyers and overseas offices (USA, Germany, China) for product development, sample approvals, and shipment updates.
- **Costing & Negotiating:** Prepare detailed cost breakdowns, negotiate competitive prices, delivery date, and secure approvals from buyers.
- **Fabric, trims & accessories booking:** Follow up with factories and suppliers to ensure timely sourcing, booking, and approval of fabrics, trims, and accessories as per buyer requirements.
- **Product Development:** Coordinate with design and technical teams for development samples, ensuring accuracy in specifications, materials, and quality.
- **Sample coordination and approvals:** Manage development, PP, and TOP samples — arrange dispatches, track approvals, and ensure timely buyer feedback.
- **Factory follow-up & Production Coordination:** Liaise with multiple factories and suppliers for sampling, costing, quality, monitor production status, coordinating with design, production, and sales teams for smooth workflow, resolve issues proactively, and ensure on-time delivery.
- **Sourcing & Development Support:** Support the sourcing and development teams in identifying potential suppliers, reviewing new materials, and sharing market feedback.
- **Critical Path & Follow up Chart:** Track all order milestones using follow up chart to ensure timely completion of development, approvals, and production stages.
- **Order & File Management:** Manage orders from receipt to shipment; maintain updated production files, costing sheets, and buyer documents.
